

## Memorial Day Was Beautifully Observed

### PATRIOTIC ORGANIZATIONS STREW FLOWERS OVER COMRADES' GRAVES

Grayling American Legion Post 106 arranged a ceremony and parade for Memorial Day that proved to be the greatest held in Grayling since the days of the G. A. R. The various patriotic and musical organizations participated, together with a large group of school children. There was one of the largest turnouts of ex-service men in several years and the program as a whole made the Memorial day of 1936 a very successful and memorable event.

Previous to the opening of the Grayling program the American Legion and its drum corps went to Frederic and held brief services in honor of departed comrades who rest in the cemetery there.

Returning, at 11:00 o'clock the first section of the procession formed at the Legion hall. Heading the Legion drum corps were the colors and Legion banner flying with color guards at each side, and following came Earl Woods, drum major, and behind him little Miss Guinivere Trudeau, junior drum major. Dressed in a white satin uniform with high red hat, she did her part in a very nice manner. Members of the Post and other ex-service men came next followed by members of Harry Hemmingsen Post 1224 V. of F. W., and the Legion Auxiliary. The second section formed at the band stand with the Citizen's band, Boy Scouts, children carrying flags, and speakers in cars. They marched along Michigan avenue to US-27 and to the City park where the following program took place on the banks of the AuSable river:

Selection—Grayling Band.  
Memorial Prayer—Charles Moore, Post Chaplain.

Address—Rev. Edgar Flory.  
Scattering of Flowers on Water—A. J. Nelson, Sgt. at Arms.  
Benediction—Rev. Hans Juhl.  
Salute—Grayling Post American Legion.

Taps—Harold McNeven.

The ceremony over for those comrades who died at sea, the parade re-formed and marched up US-27 to the mound at Elmwood cemetery. Following is the program that was rendered:

Selection—Grayling Band.

Prayer—Charles E. Moore, Post Chaplain.

Remarks—John Erkes, Post Commander.

Address—Rev. Father James Moloney.

Benediction—Rev. Hans Juhl.

Salute—Grayling Post American Legion.

Taps were sounded by Comrade Harry Sorenson and Harold McNeven, and Grayling band played the Star Spangled Banner while the flag was being raised to full staff.

There was a large crowd who viewed the parade and attended the ceremonies both at the City park and the cemetery, among whom were many out-of-town visitors who had come for the day.

Members of the American Legion drum and bugle corps looked pretty nice in new uniforms that consist of black trousers with red stripe on each side, white shirts and white caps.

## Concerning Adjusted Service Bonds

### THE FORTHCOMING DELIVERY, CERTIFICATION, AND THE PAYMENT OF THE ADJUSTED SERVICE BONDS IS A MAJOR TASK OF THE POST OFFICE DEPARTMENT AND THE ATTENTION OF THIS SERVICE WILL BE EXPEDITED AT THE LOCAL POST OFFICE.

The bonds are in \$50.00 denominations and may be redeemed on and after June 15, 1936. Although they earn interest at the rate of 3% per annum, no interest is payable on any bond redeemed prior to June 15, 1937.

The date of receipt of the Adjusted Service Bonds at the Grayling Post Office will depend on the transit time between this area's mailing office and Grayling. However, it is expected the bonds will be received in the local post office on June 16 or 17. All such registered letters will be delivered to the "Addressee Only."

Veterans who desire to cash their bonds, must sign the agreement for payment on the back of the Adjusted Service Bonds in the presence of the certifying post office employee, and there must be positive identification of the person requesting payment.

As the name appears on the face of the bond, when the bonds have been accepted for payment, the owner shall be given an interim receipt. All bonds surrendered for payment at the Grayling Post Office shall be transmitted to the Central Accounting Post Office, Detroit, Michigan for the issuance of checks, which will be promptly mailed directly to the owner. There shall be no cash payment in any post office of the surrendered Adjusted Service Bonds.

To facilitate service and as a co-operative means to the interested veterans, arrangements have been made to establish temporary office in the American Legion Building each evening from 7:00 P. M. to 9:00 P. M. on June 16 and until the work involved in the delivery and the certification of the Adjusted Service Bonds have been satisfied. Of course, this service will be available throughout the day at the Grayling Post Office.

## Saginaw Wholesalers Coming Next Tuesday

### WILL ENTERTAIN LOCAL BUSINESS MEN

A large party of wholesalers and bankers from Saginaw will visit Grayling on their 1936 Goodfellowship tour next Tuesday. The auto caravan carrying the Saginaw men will arrive in Grayling about 4:30 P. M. according to William A. Rorke, Secretary, who was here last Friday to make the necessary arrangements.

The trip is one of several which the Wholesale Merchants of the Saginaw Board of Commerce take every year into the territory surrounding Saginaw. The party is made up of the owners and executive heads of the wholesale establishments and the purpose of the visit to Grayling is to become better acquainted with our retail merchants.

The Wholesalers will be accompanied by a band and have plenty of souvenirs for the children.

The visitors from Saginaw will entertain the local business and professional men at dinner at the Hotel Shoppensons at 7 o'clock on Tuesday evening, June 3, 1936.

## To Train For First Aid and Life Saving

### In an effort to safeguard lives at Michigan's beaches and pools this summer, the W. K. Kellogg Foundation again will make available the facilities of its Pine Lake Camp, near Dexter, for an American Red Cross National Aquatic School. This school will be conducted June 15-24 to provide leadership training for Michigan chapters' First Aid and Life Saving programs, according to Fred R. Welsh, chairman of the local chapter.

Of the nation's seasonal crop of 30,000,000 swimmers, past experience indicates nearly 3,000 will meet death by drowning unless practical preventive measures are adopted. Chairman F. R. Welsh pointed out, "Drowning usually results from carelessness and a lack of swimming and small-craft experience. However, even the inexperienced swimmer in difficulty can be saved if nearby bathers have been trained in water-rescue technique and are familiar with resuscitation methods."

This is the second year that the W. K. Kellogg Foundation Camp has been made available to Red Cross chapters in the interest of the health and safety of Michigan people. Attendance will be limited to chapter representatives from this state, who will be selected on the basis of their ability and the contribution they can make to their chapters' First Aid and Life Saving programs. Each Michigan chapter will send one representative. John Hill has been chosen to represent the local chapter.

This year will mark the fifteenth

Guest—Well, look in that line himself. He's a divorce lawyer.

### Wheelhouse Home

Capt. Robert L. Edwards of Seattle, Wash., always did like that wheelhouse of the ferryboat Commander and when the old boat was sold to a wrecking company to be broken up he bought the wheelhouse for a home. It was deftly sliced off the ferry and moved by barge to Magnolia Bluff where Captain Edwards has placed it overlooking Puget sound.

## POPULAR YOUNG COUPLE MARRIED

Saturday morning was chosen for the wedding of Miss Matilda Engel, daughter of Mrs. August Engel, and Mr. Norman Dawson, son of Mr. and Mrs. Earl Dawson. The ceremony was solemnized at 11 o'clock, at the Danish church, Rev. Hans Jul.

The bride was very lovely in a gown of yellow silk print with which she wore a white coat and white accessories. Her corsage was of white snapdragons and pale blue sweet peas. Her sister and only attendant, Miss Virginia Engel, of Detroit, chose for the occasion a white tailored suit of summer flannel and her accessories were also white. Her gown was almost identical to that of the bride.

The groom was attended by his brother, Devere Dawson, and Mr. Enay Miller, of Detroit, sister of the bride, completed the wedding party.

Following the ceremony the young couple left on a few days' honeymoon to Mamsee, Ludington, and Muskegon. They are now at home to their friends at their upstairs apartment at the Herliuf Sorenson residence.

Mrs. Dawson is a graduate of Grayling High School in the class of 1934, and shared with her sister, Miss Virginia Engel, the honor of class valedictorian. The groom completed his High School course in the year 1933 and was an outstanding member because of his basketball ability.
